

CAR RENTAL SOUTHWEST FLORIDA INTERNATIONAL AIRPORT (RSW)

written by [AutoRentals.Com](https://www.AutoRentals.Com) December 30, 2019

Welcome to the Southwest Florida!

[Southwest Florida International Airport \(RSW\)](#) has one main terminal which is divided in 3 concourses: B, C and D, making auto and car rental Southwest Florida easy. As a result, the single Terminal here has 28 boarding gates in total. Fort Myers Airport is located at 11000 Terminal Access Rd, Fort Myers, FL 33913. Subsequently, the small size of the Southwest Florida Intl Airport makes navigating it simple. [AutoRentals.com](https://www.AutoRentals.com) has put together a photo guide of the airport and all auto rental companies located in the Rental Car Service Center. Above all, they should be used to find the best pricing options [for this specific location](#).

Renting from an auto company not on the airport premises? We've got you covered as well. Off-site car rental options include Fox Rent A Car, Payless Car Rental and Sixt Rent A Car, further more, they are all accessible by a direct free shuttle from the airport. While less convenient, this can sometimes be a more affordable option for travelers looking to save money. Most of the time, airports charge

more per day for car rentals, for the reason that the airport concession fees and taxes can make the total cost of the rental go up significantly. So if you are on a budget in Fort Myers, booking off-site is consequently our recommendation. Make sure you compare different location prices to get the best option for you. Checking several times can also help you save money as car deals on [AutoRentals.com](https://www.AutoRentals.com) are always changing.

See our [Dallas Love Airport \(DAL\)](#), [Portland International Jetport Airport \(PWM\)](#) or [Charleston International Airport \(CHS\)](#) car rental guides.

Off-Airport Car Rental Southwest Florida Deals

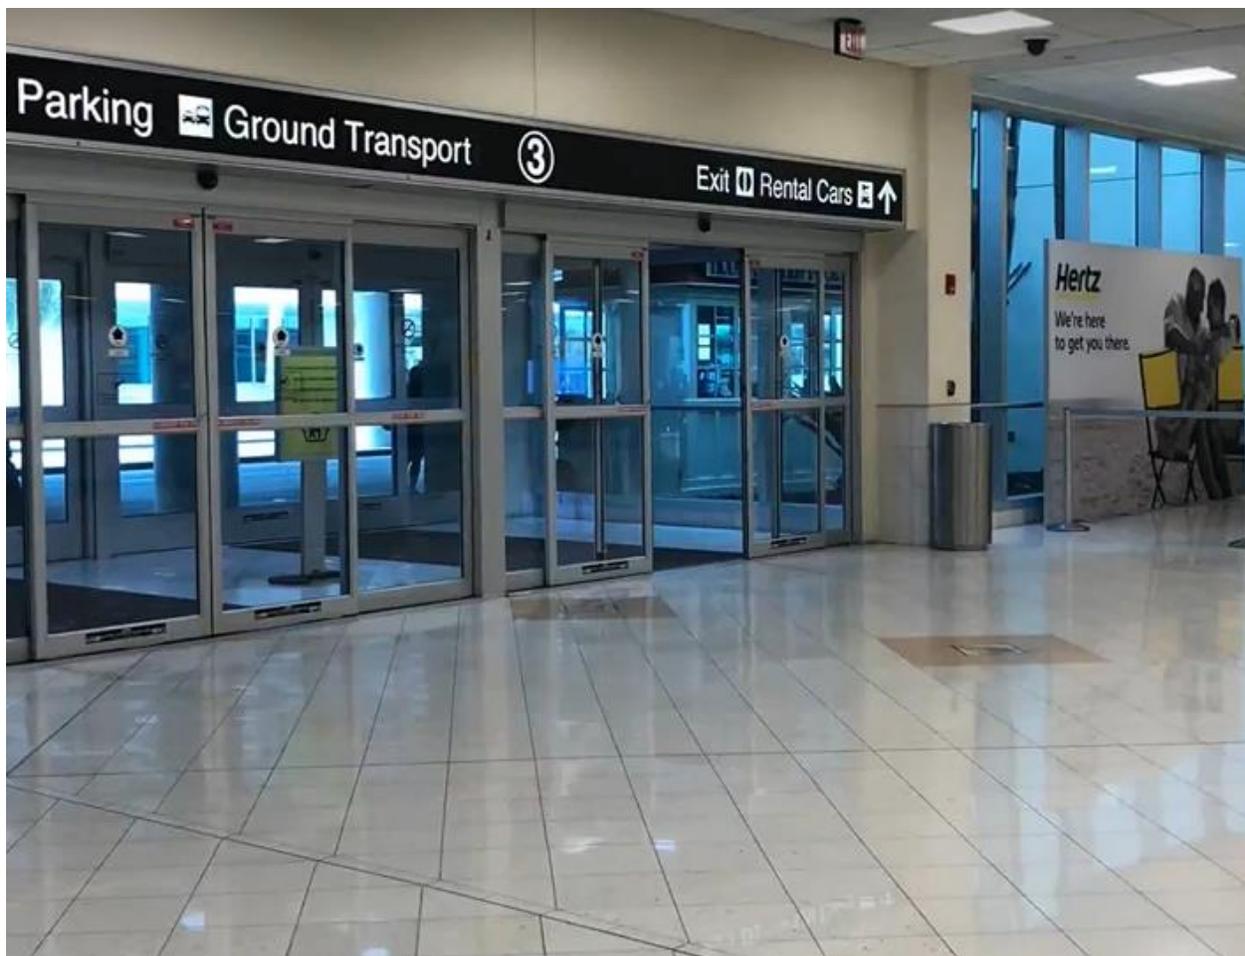

Renting from an auto company not on the airport premises? We've got you covered as well. Off-site car rental options include Fox Rent A Car, Payless Car Rental and Sixt Rent A Car, further more, they

are all accessible by a direct free shuttle from the airport. While less convenient, this can sometimes be a more affordable option for travelers looking to save money. Most of the time, airports charge more per day for car rentals, for the reason that the airport concession fees and taxes can make the total cost of the rental go up significantly. So if you are on a budget in Fort Myers, booking off-site is consequently our recommendation. Make sure you compare different location prices to get the best option for you. Checking several times can also help you save money as car deals on [AutoRentals.com](https://www.autorentals.com) are always changing.

How Do I Get to Baggage Claim?

Certainly when arriving at the airport you'll want to check and make sure you have your reservation. Furthermore, have your identification card and all carry-on items on hand whether you're getting ready for a business trip or vacation. If you are traveling with luggage, follow the signs for baggage claim. There are ten baggage carousels, labeled numerically, located directly next to one another. Hence they are clearly marked display screens above each one indicating which carousel has the baggage from your arriving flight. This is a [map](#) that will certainly make the process even easier!

Where are the Southwest Florida Airport Car Rental Locations?

After gathering your bags continue to follow signs for "Rental Cars". RSW airport's Rental Car Service Center is located just past the baggage claim area. Most importantly, make sure you have your credit card ready, unless the provider has specifically stated that they accept debit cards.

First, you will see the car rental center directly across the street in a separate building. Most noteworthy, Hertz Gold and Avis Preferred Customers can proceed directly to the garage adjacent to the car rental center. Secondly, get in line and make sure to have all your documents and payment method ready. Finally, after picking up your keys, you can head right outside; there is no shuttle necessary if you're renting from Alamo Rent-A-Car, Avis, Budget, Dollar, Enterprise, Hertz, National and Thrifty. In contrast, Fox Rent A Car, Payless Car Rental and Sixt Rent A Car are all accessible by a direct shuttle pick up service from the airport, see more instructions below!

Travelers always want to find the best prices, as a result, they use [AutoRentals.com](https://www.AutoRentals.com) matrix formatting to easily compare top car, truck and SUV companies in seconds.

What Are Some Things to Do in Southwest Florida?

Whether you're in Southwest Florida, for business or pleasure there's certainly plenty to do in the Gulf coast of the U.S. From beaches to the downtown and vibrant nightlife, you'll never be bored. In the meanwhile, let us give you some of our recommendations.

Do you enjoy free walking tours? Want to easily see the area? We'd recommend visiting the [River District in Fort Myers](#); there are plenty of amazing bars and restaurants all on one stretch. Check out one of the best blocks of First Street for an upscale dinner or afternoon brunch. Be sure to try the cocktails at [Ford's Garage](#). Looking for something closer to the airport because you are only here for a short amount of time? Try [Connors Steak & Seafood](#) -Fort Myers guests rave about the steak, as well as the seafood, great sides and drinks.

More Activities Near RSW Airport

Most noteworthy, the downtown area in Southwest Florida is home to exquisite restaurants, beautiful scenery and live music, however so many people come here for the renowned beaches. [Estero Island](#) has tropical palm trees, beautiful white sand beaches and tons of fun shops and stores. That is to say it's a great place for tourists on holiday. Water here is fantastic and you can enjoy a relaxing beach day on the island, located only 44 minutes from the RSW Airport. Another must see if you're in

the area is [Sanibel Island](#) home to colorful sunsets that you can watch from the shore line and is teeming with natural wildlife. First, hit the sands and soak up the sun then end the day with a drink by the shore. On a lucky day you might even see a pod of dolphins swim by!

To sum it up, Southwest Florida is a great place to have a rental car, truck or SUV.
