As a result, the single Terminal here has 20 boarding gates in total. The gates are divided into [1-10 East](#) and [11-20 West](#).

For your convenience Love Field is open 24 hours. Flights are in operation from 6:00AM to 11:00PM only due to noise restrictions. Rental car companies Dallas Love Airport hours however may vary.

[AutoRentals.com](#) has put together a photo guide to help you locate the rental car companies in the Dallas Love Airport. Above all, they should be used to find the best pricing options for this specific location.

Looking for rental car companies Dallas Love Airport off-site? We've got you covered as well.
